RE: Recent Jury Service

Dear Jurors Name:

Thank you for your recent service as a Stephens County Juror. Your service as a juror is a vital part of the criminal justice system. The inconvenience and burden assumed by you completes a process that sometimes takes a very long time.

In an effort to maintain a professional staff and program, we often send questionnaires to individual jurors after a jury term. These questionnaires are designed to help the District Attorney's Office identify quality performance or areas that need improvement. While they are designed to assist the District Attorney's Office, other agencies often benefit from the comments too.

As the judge informed you at the conclusion of the trial, your participation is completely voluntary. If you would rather not participate, just disregard the questionnaire and you will not hear from us again. If you would like to remain anonymous, you may complete the form but not sign it. No effort will be made to contact you unless you specifically request it.

Thank you for your assistance and please contact any of the 6<sup>th</sup> District Attorney Offices if you have any questions.

JASON M. HICKS  
District Attorney
